**Summary Report on Communication Skill Development Programme for B.
Com (HONS. & GEN.) Students**

DATE: 25.11.2022

The faculty members of Department of Commerce have conducted Communication Skill Development Programme for the students of Semester-I, III and V during the current academic session- 2022-23. Seven students from Semester I Hons, seven students from Semester III and five students from Semester V attended the programme and an extempore session was arranged. Most of the students expressed their opinion about the topic and an interactive session was conducted among the students. During this session the Department organized the Communication Skill Development Programme classes for these students which was successfully conducted and the response from the end of students were really appreciable.

Programme Report

Programme Title: “ TEACH MASTERY: BUILDING TOMORROWS DIGITAL LEADERS”

Date : 17 th October,2023 **Time:** 12pm to 2 pm

Venue of the Programme: Department of Geography

Name of Programme Coordinator: Dr. Beauty Das

Description of the programme : Geography Department of Balurghat College has organized the ICT programme aimed to enhance through integration of advanced technologies for the UG 1st Semester (Hons. & Gen) Students of Batch No. 26. The programme for two hours was continuing followed by the dedicated speech of the programme coordinator Dr. Beauty Das and was rolled out in different phases with introduction of Microsoft office including Word, Excel,Power point presentation,Google form creation and use etc as well as application practically in their own mobile phones and laptop also. Dedicated teachers and some senior students have overseen this hardware and software deployment. Challenges included user training and unforeseen technical faults, all of swiftly were addressed. Thus, this ICT programme successfully has achieved and has proven to be a more informative as well as initiative and significant. It set the stage for the students for their own technological advancement and communication development in their academic era. In further suggestion it is recommended that regular monitoring and system updates can ensure sustained performance.

Number of Participants: 36 (Girls- 19)
